President's Message

Welcome to the Mayne Island Fall Fair 2023.

On behalf of the Mayne Island Agricultural Society and Fall Fair (MIAS) it gives me great pleasure to welcome you to this years Fall Fair. As always the fair continues to be a venue for many of our families and visitors to the Island.

As a community organization we strive to keep the Agriculture Grounds and Buildings in good shape for you to utilize and enjoy. As with any organization they say "it takes a village" and that could not be more true of the group of people that help to put on the fair each year taking time out of their own busy schedules to organize and prepare this event for their local community. I would like to thank every one of you who have had a hand in making our fair the best it can be! As an organization we strive to keep the fair a place for folks to showcase their home-craft skills, produce and flower growing, preserves, wines to name a few.... there is a parade, live demonstrations, market vendors, zucchini races, animal petting area as well as many other activities. How soon do you think the activities get started

for each fair year?.... Well right after the last one of course! We need you for next year! Come join our volunteers and become an active part of the Mayne Island Village. Just send us a message at mayneagsociety@gmail.com

The AG Society Directors will be taking shifts to run the booth selling raffle tickets and Mayne Island Agriculture Society and Fall Fair memberships. Pop by and say hello and meet one or more of the folks who are on this volunteer board. Join the AG Society and become part of this great village of people we call Mayniacs and Islanders! All membership renewals and purchases will enter you in for a draw for Mayne Island Giftware!

Most of all thank you for coming to our annual fair and hope that you have a wonderful day and that we will see you next year at the fair and at any events throughout the year!
